

## Second Frolic Held 18th June 2017

A Mixed Team Competition (Frolic) took place on 18<sup>th</sup> June 2017 and although the temperature was extreme, nobody complained about the heat .Not until afterwards anyway.

We had 8 - 4 balls entered and we played a reverse Waltz ( 3 to score , 2 to score , 1 to score etc. & then 4 to score on the last hole).

This was played over 14 holes and the nominal par for this competition is 62 points.

Dignitaries included the Captain, Lady Captain, Madame President and Lady Captain Elect.

The course was in excellent condition and the only thing that spoilt the scoring was the warmth of the day. The umbrellas were up for quite a few golfers, but it was to provide shade rather than shelter from any rain. Everybody was shattered by the time they arrived back at the clubhouse but the showers proved a very welcome relief, as did the bar.

The Captain had previously suggested that the Gentlemen need not wear jacket and tie for the dining and the presentation. Again welcomed by all.
