

Sale Golf Club News – January 2018

Sale Golf Club is now an approved official HSBC Golf Roots Centre!

We are delighted to announce that Sale has been approved as an official HSBC Golf Roots Centre by the Golf Foundation.

The Golf Foundation currently has 400 golf clubs across the UK delivering the charity's flagship scheme, HSBC Golf Roots. These are approved junior friendly golf clubs and facilities that reach out into schools and local communities to provide young people with a fun and safe introduction to golf.

We have been chosen as an official HSBC Golf Roots Centre for our continued work in local schools and in the local community introducing children to golf. As a result, the Club has received £250 funding from the Golf Foundation and will receive a further £250 funding in March for our efforts.

This month we have been busy delivering weekly Tri Golf sessions at Altrincham C.O.E Primary School as well as running a 5 week Tri Golf afterschool club at Woodhouse Primary School.

Next month promises to be another busy month as we visit Brooklands Primary School delivering Tri Golf taster sessions to years 3-6 and run another Tri Golf afterschool club this time at Lime Tree Primary School.

Newly formed Marketing Committee plans to take the Club forward in 2018

Our newly formed Marketing Committee will play a key role in helping to take the Club forward in 2018.

The Committee will meet on a regular basis to discuss all things marketing with a main focus on helping the Club come up with ways to attract new members, retain current members and increase golf/ functions at the Club.

The Marketing Committee has already met up twice since forming late last year and has some big plans for the coming season which will really help to put Sale Golf Club on the map.

The Committee currently comprises of 5 members including Club Manager John Jackson and Sale members Andy Daley, Rob Potter, Steve Price and Dan Walmsley.

If you'd like to be involved with the Committee or help the Club with any form of marketing going forward, please contact Club Manager John Jackson by emailing him on manager@salegolfclub.com to register your interest.

Members donate generously to help the Trafford Veterans @ the MESS!

A number of Sale members have donated generously to help the Trafford Veterans @ the MESS keep playing golf.

The Veterans have received various pieces of golf equipment and clothing from generous Sale members.

Donations have included a full set of clubs, an electric trolley, a full set of fairway woods and a number of waterproof tops.

The Veterans, who enjoyed a 6 week coaching programme at the Club last summer, have since formed a golf society and now meet on a regular basis at Trafford Golf Centre to hone their golfing skills.

Trafford Veterans @ the MESS founder and Sale Golf Club member Andy Graham stated that the generous donations will enable the novice Veterans to keep playing before they are ready to invest in their own golf equipment.

Andy wanted to thank all Sale members for their generosity and kindness they have shown the Veterans over the last year.

We look forward to welcoming the Veterans back to Sale in the near future!

Get into Golf at Sale Golf Club

Do you know someone who might be interested in starting golf or at least giving golf a try?

We have a full schedule of free taster sessions and get into golf beginner coaching programmes planned for 2018 so if you know someone who might be interested in attending, please let us know!

Our Get into Golf initiatives were extremely successful in 2017. They helped to attract over 50 new golfers to the Club, 18 of which then went on to join the Club.

We are hoping for more of the same in 2018 so please if you have any friends or relatives that might be interested in starting this great game, let them know about our sessions.

Dates and times are to be confirmed in the next few weeks.
